

# DAVID WILKINS; Your choice for Clwyd

Dear Member,

I'm writing to ask for your support in becoming the lead list candidate for the Clwyd constituency in the 2026 Senedd elections.

We have a real opportunity to elect a Welsh Liberal Democrat Senedd Member here in the new Clwyd seat and I want to lead the fight to make that happen.

As a secondary school teacher, I see first-hand how our children are being let down. Real-terms cuts to education, the harmful impact of unregulated social media, and the cruel two-child benefit cap are all making it harder for young people to thrive.

As a town councillor in Colwyn Bay, I witness the daily struggles of residents as vital local services are stripped away. And as an active campaigner, I've heard on the doorstep people's deep concerns; from attacks on LGBT+ rights to fears over the treatment of immigrant families.

If elected, my priorities will be:

- ✓ Scrapping the two-child benefit cap
- ✓ Protecting our coasts and rivers from sewage
- ✓ Defending the rights of all communities
- ✓ Expanding access to free childcare
- ✓ Properly funding schools to give every child the best start in life

Beyond politics, I'm a father of two amazing children, raising them with my wife Lisa. When I'm not in the classroom or on the campaign trail, you'll find me cycling in the mountains of North Wales or tending my allotment.

I care deeply about building a fairer, more prosperous Wales. It's been a pleasure campaigning with so many of you, and with your support, I'll keep knocking on doors, delivering leaflets, and winning votes for our movement.

Thank you for considering me as your candidate.

David Wilkins
